

City Council, Regular Meeting  
Civic Center Council Chambers  
777 Cypress Avenue  
Redding, California  
April 1, 2008 7:00 p.m.

The Pledge of Allegiance to the Flag was led By Peggy O’Lea.

The Invocation was offered by Police Chaplain Ray Foust.

The meeting was called to order by Mayor Stegall with the following Council Members present: Bosetti, Dickerson, Jones, and Murray.

Also present were City Manager Starman, Assistant City Manager/Transportation and Engineering Director Tippin, City Attorney Duvernay, Police Chief Moty, Development Services Director Hamilton, City Clerk Strohmayer and Assistant City Clerk Sherman.

PUBLIC COMMENT

(L-010)

Elin Klassen, Parkview Neighborhood Association member, expressed concern and opposition to the City Planning Commission’s conceptual approval of the Living Hope Compassion Ministry’s proposal to expand its facility at 1043 State Street citing public safety concerns, zoning incompatibility, and littering issues. She urged Council to carefully consider the matter when it is brought forward.

(C-050-450)

Mari Marien, Redding resident, expressed concern that artifacts depicting Redding’s early history, originally housed at the Caldwell Park Museum in the 1980’s, were separated. She said that some of the items are now housed at Turtle Bay Exploration Park, while others are kept by the Shasta Historical Society. Ms. Marien believed that the collection should be kept intact.

CONSENT CALENDAR

The following matters were considered inclusively under the Consent Calendar:

Approval of Minutes - Special and Regular Meetings of March 18, 2008

Approval of Payroll and Accounts Payable Registers

(A-050-100-500)

It is recommended that Accounts Payable Register No. 18, check numbers 861003 through 861425 inclusive, in the amount of \$18,502,583.93, for the period of March 17, 2008, through March 31, 2008; and Payroll Register No. 19 electronic deposit transaction numbers 227124 through 227964 and check numbers 539574 through 539704 inclusive, in the amount of \$2,443,997.70 for the period March 9, 2008, through March 22, 2008, be approved.  
TOTAL: \$20,946,581.63

Treasurer's Report - February 2008

(A-050-100-600)

Total Treasurer's Accountability	-	\$148,399,186.18
Total City of Redding Funds, Funds Held in Trust, and Funds of Related Entities	-	\$272,194,256.54

ACR133 Report and Cash Reconciliation

(F-205-095-650)

It is the recommendation of the Finance Officer that the ACR133 Report and the Proof of Cash Reconciliation for February 2008 be accepted.

Project Status Report - City projects and programs

(A-050-080)

It is the recommendation of the City Manager that the Project Status Report for March 2008 be accepted.

Lease Agreement - Kiewit Pacific Co.  
(C-070-100 & C-070-010)

It is the recommendation of the City Manager that the City Council approve the Lease Agreement with Kiewit Pacific Co. for the lease of approximately 2.76 acres of City property located on Henderson Road to store construction materials through April 30, 2008, in the amount of \$1,155.

Consulting and Professional Services Agreement - Shasta Community Regional Foundation  
(L-010-005)

It is the recommendation of the Assistant City Manager that the City Council authorize the Mayor to execute the Consulting and Professional Services Agreement with Shasta Regional Community Foundation to locate a service provider to develop the Redding Affordable Housing Fund.

Resolution - Declaring April 2008, as "Fair Housing Month"  
(A-050-060-600)

It is the recommendation of the Assistant City Manager that Resolution No. 2008-28 be adopted, a resolution of the City Council of the City of Redding, declaring April 2008 as "Fair Housing Month."

Lease Agreement - Cox & Cox Construction, Inc.  
(C-070-100/R-030-145-050/S-070-100-708)

It is the recommendation of the City Manager that the Mayor be authorized to execute a Lease Agreement with Cox & Cox Construction, Inc., for approximately .25 acres of a City- and .27 acres of Redevelopment Agency-owned land (former Eastside Road right-of-way) for use as a staging area associated with the South Bonnyview widening project in the amount of \$625 per month through end November 30, 2008.

Monthly Financial Report - Electric Utility  
(B-130-070)

It is the recommendation of the Electric Utility Director that the City Council approve the Electric Utility's Monthly Financial Report for February 2008. Retail power sales revenue was \$1,002,282 (1.8%) below projections and wholesale power sales through February totaled \$21,605,140 or 144.3% above projections. Operating revenue after energy costs was \$1,983,595 or 9.6% below expectations. The total cost of energy through February was \$22,907,684 or 42.9% above projections. The Utility's net operating results through February are \$2,064,781.

Resolution - Appropriating Code Enforcement Fine Funds for Meadow Creek Park  
(B-130-070 & P-050)

It is the recommendation of the Community Services Director that Resolution No. 2008-29 be adopted, a resolution of the City Council of the City of Redding, approving and adopting the 30<sup>th</sup> amendment to City Budget Resolution No. 2007-127 appropriating \$3,790 in Code Enforcement Fine Funds for restoring Meadow Creek Park for fiscal year 2007-08.

Resolution - Proclaiming May 8 & 9, 2008, as "California Peace Officers' Memorial Days", May 15, 2008, as "Shasta County Peace Officers' Memorial Day" and May 11-17, 2008, as "National Peace Officers' Week"  
(A-050-060-600/P-010-050/P-150-150)

It is the recommendation of the Police Chief that Resolution No. 2008-30 be adopted, a resolution of the City Council of the City of Redding proclaiming May 8 & 9, 2008, as "California Peace Officers' Memorial Days", May 15, 2008, as "Shasta County Peace Officers' Memorial Day" and May 11-17, 2008, as "National Peace Officers' Week."

Council Member Dickerson pointed out that this Resolution recognizes officers who have given their lives in the line of duty, and he urged everyone to attend the ceremonies at Shasta County Courthouse on Thursday, May 18, 2008.

Monthly Financial Report - General Fund  
(B-130-070)

It is the recommendation of the City Manager that the City Council accept the General Fund's Monthly Financial Report for February 2008. Total revenue to date is \$41.3 million or \$1,512,585 (3.6%) below staff's cash flow projection. Expenditures at month end, excluding encumbrances, total \$48,390,693 or \$6,927,413 (12.6%) below staff's original projection. Encumbrances total \$1,863,016.

Final Map - Ridgestone Villas Condominiums

(S-101-116)

It is the recommendation of the Transportation and Engineering Director that the City Council approve the Final Map for Ridgestone Villas Condominiums (S-8-06), located north of Browning Street at the east end of Mission Sierra Court, by Mission Sierra Properties, LLC, and that the City Clerk be instructed to file the map with the Shasta County Recorder.

Final Map - Monaco Condominiums

(S-101-105)

It is the recommendation of the Transportation and Engineering Director that the City Council approve the Final Map for Monaco Condominiums (S-21-05), located on the west side of C Street, by Affordable Housing Investments, LLC, and that the City Clerk be instructed to file the map with the Shasta County Recorder.

Subdivision Agreement - Churn Creek Park Subdivision, Phase 2

(S-100-091)

It is the recommendation of the Transportation and Engineering Director that the City Council authorize the Mayor to execute a new Subdivision Agreement for the Churn Creek Park Subdivision (S-38-90), Phase 2, located on Hawley Road south of Gold Hills Golf Course, by Blossom Park V Corporation, extending completion of the subdivision to November 7, 2008.

Additional Contingency Funds - Bid Schedule No. 4063, South Bonnyview Road Widening Project

(B-050-020 &amp; S-070-100-708)

It is the recommendation of the Transportation and Engineering Director that additional contingency funds be added to Bid Schedule No. 4063 (Job No. 2220), South Bonnyview Road Widening Project in the amount of \$450,000 for extra work to replace the 42-year-old existing water main under South Bonnyview Road from State Route 273 to East Bonnyview Road.

Grant Applications - Federal Aviation Administration for capital improvement projects at Redding Municipal Airport; andResolution - Appropriating Airport funds for maintenance storage building and airport layout plans

(G-100-070-095 &amp; B-130-070)

It is the recommendation of the Transportation and Engineering Director that the City Council authorize the City Manager, or his designee, to execute grant applications and all necessary documents to obtain funds from the Federal Aviation Administration (FAA) for capital improvement projects at the Redding Municipal Airport in the amount of \$675,250 to provide land acquisition (approach protection), a maintenance storage building, and Airport Layout Plan update and narrative report.

It is further recommended that Resolution No. 2008-31 be adopted, a resolution of the City Council of the City of Redding, approving and adopting the 29<sup>th</sup> amendment to City Budget Resolution No. 2007-127 appropriating \$45,790 for construction of a maintenance storage building and the Airport Layout Plan Update at the Redding Municipal Airport for fiscal year 2007-08.

Land Release Authorization - Federal Aviation Administration

(A-090-100 &amp; ^E-050-500)

It is the recommendation of the Transportation and Engineering Director that the City Council authorize the Mayor to execute the Federal Aviation Administration (FAA) for release of approximately 218 acres of Airport property located on the east side of Stillwater Creek for development of the Stillwater Business Park.

Council Member Jones advised he would vote no on this matter for consistency with previous votes regarding the Stillwater Business Park.

The Vote:

AYES:	Council Members - Bosetti, Dickerson, Murray, and Stegall
NOES:	Council Members - Jones
ABSTAIN:	Council Members - None
ABSENT:	Council Members - None

**MOTION:** Made by Council Member Dickerson, seconded by Council Member Jones, that all the foregoing items on the Consent Calendar be approved and adopted as recommended above with the exception of the item approved by separate vote as indicated above.

The Vote:

AYES: Council Members - Bosetti, Dickerson, Jones, Murray, and Stegall  
 NOES: Council Members - None  
 ABSTAIN: Council Members - None  
 ABSENT: Council Members - None

Resolution Nos. 2008-28, 2008-29, 2008-30, and 2008-31 are on file in the Office of the City Clerk.

LETTER - REDDING AREA BUS AUTHORITY RE OPERATIONS  
 (R-010)

Assistant City Manager Tippin recalled that at the Redding Area Bus Authority (RABA) meeting of March 27, 2008, the Board of Directors discussed possible amendments to language contained on Page 5, Section F.3 of RABA's bylaws which reads: "Operating details and level of service decisions shall require the affirmative vote of a majority of the RABA Board Members from each affected participating agency." He related that in order to gain perspective from all agencies (Shasta County and cities of Anderson, Redding, and Shasta Lake) regarding the proposed language change, RABA Chair Stegall penned a letter to agency representatives requesting input. Mr. Tippin recalled that the language in question had proven to be an obstacle to recent decisions regarding route changes recommended in RABA's Short-Range Plan by allowing a single affected agency to determine operations and/or service levels outcomes.

Council Member Jones suggested that the language be changed to allow a simple majority vote to determine RABA service decisions, provided that the majority include one vote from an affected agency member other than Redding.

Council Member Dickerson recalled that the single agency veto only became a problem recently, and he believed the current bylaws language adequate and worth retaining.

Council Members Murray, Bosetti and Mayor Stegall concurred with Council Member Jones, pointing out that when serving as a RABA Board Member, agency loyalties must be set aside in order to make decisions which best serve the entire RABA service area, which had not been a priority in recent meetings.

It was the consensus of the City Council to defer action until other agencies have an opportunity to respond to the letter.

PUBLIC HEARING - Building Height Overlay District

ORDINANCE - Amending the Redding Municipal Code by adding Chapter 18.58, - "BH" Building Height Overlay District  
 (L-010-500-050)

The hour of 7:00 p.m. having arrived, Mayor Stegall opened the public hearing regarding adoption of an Addendum to the Mitigated Negative Declaration prepared for the Zoning Map and amending the Redding Municipal Code by adding Chapter 18.58, - "BH" Building Height Overlay District.

The following document is on file in the Office of the City Clerk:

Affidavit of Publication - Notice of Public Hearing

City Clerk Strohmayer advised that no protests were received.

Development Services Director Hamilton recalled that in December 18, 2007, the City Council amended the Community Development and Design Element of the General Plan to allow tall buildings in specific areas of the City, specifically in the Downtown core, and mid-rise buildings surrounding the core, and along the North Market Street and Hilltop Drive/Churn Creek Road corridors, and the proposed ordinance will establish that new element. He pointed out that use permits will be required where buildings exceed the local, established, underlying zoning district height limits, and it will also add the tools necessary to put in place a design review process for such buildings.

Mr. Hamilton recommended that the City Council make findings that the addendum to the Mitigated Negative Declaration prepared for the Zoning Map adequately addresses the potential environmental impacts associated with adoption of the proposed ordinance, and that it, and the supporting documentation, reflect the independent judgment and analysis of the City. He further recommended that an ordinance be offered for first reading by title only adopting the Addendum to the Mitigated Negative Declaration and amending RMC by adding Chapter 18.58-“BH” Building Height Overlay District, and that the full reading of the ordinance be waived.

Council Member Murray opposed the proposed ordinance believing that the language was insufficient for contingencies such as building heights when constructed on a slope, and he opposed wording that would invite design review.

Council Member Jones expressed opposition to the ordinance and concern that the Downtown area infrastructure would not support tall buildings. He suggested that some areas on Airport Road would be better suited for the taller buildings.

Mayor Stegall determined that no one present wished to address this matter and closed the public hearing.

**MOTION:** Made by Council Member Dickerson, seconded by Council Member Bosetti making findings to adopt the Addendum to the Mitigated Negative Declaration prepared for the Zoning Map and approving the amendment to Redding Municipal Code (RMC) Chapter 18.58-“BH” Building Height Overlay District. The Vote:

AYES: Council Members - Bosetti, Dickerson, and Stegall  
 NOES: Council Members - Jones and Murray  
 ABSTAIN: Council Members - None  
 ABSENT: Council Members - None

Council Member Dickerson offered Ordinance No. 2405 for first reading, an ordinance of the City Council of the City of Redding adopting the Addendum to the Mitigated Negative Declaration and amending Redding Municipal Code Title 18 by adding Chapter 18.58- “BH” Building Height Overlay District.

**MOTION:** Made by Council Member Dickerson, seconded by Council Member Bosetti, that the full reading of Ordinance No. 2405 be waived, and that the City Attorney be instructed to read the full title. The Vote:

AYES: Council Members - Bosetti, Dickerson, and Stegall  
 NOES: Council Members - Jones and Murray  
 ABSTAIN: Council Members - None  
 ABSENT: Council Members - None

PUBLIC HEARING - Building Height Overlay District

ORDINANCE - Amending the Redding Municipal Code Zoning Map by approving Rezoning Application RZ-1-08 rezoning certain parcels to “BH” Building Height Overlay District

(L-010-230)

The hour of 7:00 p.m. having arrived, Mayor Stegall opened the public hearing regarding adoption of an Addendum to the Mitigated Negative Declaration prepared for the Zoning Map and amending the Redding Municipal Code (RMC) Zoning Map by approving Rezoning Application RZ-1-08 rezoning certain parcels to “BH” Building Height Overlay District.

The following document is on file in the Office of the City Clerk:

Affidavit of Publication - Notice of Public Hearing

City Clerk Strohmayer advised that no protests were received.

Development Services Director Hamilton recalled that on December 18, 2007, the City Council amended the Community Development and Design Element of the General Plan to allow significantly taller buildings in certain areas of the City, specifically in the Downtown core, and mid-rise buildings surrounding the core, and along the North Market Street and Hilltop Drive/Churn Creek Road corridors. He stated that the proposed ordinance will rezone these areas to “BH” Overlay District to allow mid- and high-rise construction. He

pointed out that use permits will be required where buildings exceed the local, established, underlying zoning district height limits, and it will also add the tools necessary to put a design review process in place for such buildings.

Mr. Hamilton recommended that the City Council make findings that the addendum to the Mitigated Negative Declaration prepared for the Zoning Map adequately addresses the potential environmental impacts associated with rezoning certain areas of the Zoning Map to "BH" Building Height Overlay District, and that it, and the supporting documentation, reflect the independent judgment and analysis of the City. He further recommended that an ordinance be offered for first reading by title only adopting the Addendum to the Mitigated Negative Declaration and amending the RMC Zoning Map by approving Rezoning Application RZ-1-08 rezoning certain parcels as stated above and that the full reading of the ordinance be waived.

Mayor Stegall determined that no one present wished to address this matter and closed the public hearing.

Council Member Murray advised he would vote no because he opposed language that would implement a design review committee.

Council Member Jones advised he would vote no because he did not believe that infrastructure in the Downtown area was sufficient to support taller buildings.

**MOTION:** Made by Council Member Dickerson, seconded by Council Member Bosetti making findings to adopt the Addendum to the Mitigated Negative Declaration prepared for the Zoning Map and approving Rezoning Application RZ-1-08, amending the Redding Municipal Code Zoning Map to rezone the Downtown core, and mid-rise buildings surrounding the core, and along the North Market Street and Hilltop Drive/Churn Creek Road corridors to "BH" Building Height Overlay District. The Vote:

AYES:	Council Members - Bosetti, Dickerson, and Stegall
NOES:	Council Members - Jones and Murray
ABSTAIN:	Council Members - None
ABSENT:	Council Members - None

Council Member Dickerson offered Ordinance No. 2406 for first reading, an ordinance of the City Council of the City of Redding adopting the Addendum to the Mitigated Negative Declaration and amending RMC Zoning Map by approving Rezoning Application RZ-1-08 and rezoning the Downtown core, and mid-rise buildings surrounding the core, and along the North Market Street and Hilltop Drive/Churn Creek Road corridors to "BH" Building Height Overlay District.

**MOTION:** Made by Council Member Dickerson, seconded by Council Member Bosetti, that the full reading of Ordinance No. 2406 be waived, and that the City Attorney be instructed to read the full title. The Vote:

AYES:	Council Members - Bosetti, Dickerson, and Stegall
NOES:	Council Members - Jones and Murray
ABSTAIN:	Council Members - None
ABSENT:	Council Members - None

#### PUBLIC HEARING

RESOLUTION - Renaming a portion of Auditorium Drive to Sundial Bridge Drive (S-070-230)

The hour of 7:00 p.m. having arrived, Mayor Stegall opened the public hearing regarding the proposed street name change for a portion of Auditorium Drive to Sundial Bridge Drive.

The following documents are on file in the Office of the City Clerk:

Affidavit of Publication - Notice of Public Hearing  
Affidavit of Mailing - Notice of Public Hearing

City Clerk Strohmayer advised that no protests were received.

Development Services Director Hamilton related that the proposed street name change would change the name of the portion of Auditorium Drive between its intersection with Park Marina Drive/Butte Street on the south side of State Route 44, and the portion

branching east to the Sundial Bridge on the north side to Sundial Bridge Drive. The portion of Auditorium Drive that branches west would remain Auditorium Drive. He stated that the name change will better identify the area of the Sundial Bridge for visitors.

Mr. Hamilton recommended that a resolution be adopted renaming a portion of Auditorium Drive to Sundial Bridge Drive.

Mayor Stegall determined that no one present wished to address this matter and closed the public hearing.

**MOTION:** Made by Council Member Murray, seconded by Council Member Dickerson, adopting Resolution No. 2008-32, a resolution of the City Council of the City of Redding approving a street name change for a portion of Auditorium Drive to Sundial Bridge Drive.

The Vote:

AYES:	Council Members - Bosetti, Dickerson, Jones, Murray, and Stegall
NOES:	Council Members - None
ABSTAIN:	Council Members - None
ABSENT:	Council Members - None

Resolution No. 2008-32 is on file in the Office of the City Clerk.

#### PROPOSED TURTLE BAY HOTEL AND RESTAURANT

(C-070-250-250 & C-070-100)

City Manager Starman recalled that in 1992, the City entered into a Ground Lease Agreement with the Alliance of Redding Museums (now Turtle Bay Exploration Park) to utilize 30 acres of City-owned property located north of State Route 44 and south of the Sacramento River. In an effort to identify new revenue sources for the Turtle Bay Exploration Park (Park), the Board of Trustees has asked the City to approve a sublease of a five-acre portion of the 30-acre parcel, located northeast of the Auditorium Drive overpass at State Route 44 and south of the Monolith, to allow development of a hotel and restaurant. Mr. Starman said that while the Park has a number of revenue sources, including a \$350,000 subsidy from the City, it is working toward becoming more self-supporting, and the proposed project would provide additional Park revenue and generate sales and Transient Occupancy Tax (TOT) taxes for the City.

Mr. Starman explained that if the City authorizes the proposed sub-lease, the Park can then move forward to apply for a General Plan amendment and rezoning of the five acres to accommodate the proposed project.

Mr. Starman recommended that the City authorize Turtle Bay to apply for the General Plan amendment and rezoning and direct the City Attorney to work with Turtle Bay representatives to negotiate appropriate amendments to the Ground Lease necessary for the proposed project.

Mike Warren, Chief Executive Officer of the Turtle Bay Exploration Park, stated that the Board of Trustees and Board of Regents believe that revenue for the Park should be diversified and that the Park should continue to work toward the goal of self-sufficiency. He pointed out that this project would not only generate additional revenue for the Park and the City, but compliment the area nicely. He stated that Park and Arboretum encompass 300 acres which are leased and/or owned by Turtle Bay, but in order to move forward with the proposed hotel and restaurant project, five acres of the land leased from the City would have to be rezoned to allow commercial development.

Todd McEfee, Trilogy Architecture, provided a conceptual view of the footprint for the proposed hotel and restaurant project at Turtle Bay.

Gary Anthis, Americor, Inc. , related that the project has received tentative approval from Marriott Hotels to place one of its hotels at the location. He said that a 90-100 room hotel is envisioned for the site with a free-standing restaurant, and while Marriott hotels generally attract an upscale clientele, the proposed location is ideal for drawing travelers on State Route 44, east and west. He pointed out that while a feasibility study has not yet been completed to determine the eventual size of the hotel, it is believed that the area could sustain the 100-rooms standard.

Jerry Peters, Turtle Bay Board of Trustees Chair, believed the project would allow Turtle Bay to become more self-sufficient and offer more services to the community. He urged the City Council to support efforts to make Turtle Bay stronger.

Marjy Cantrell, Redding resident, asked that the City Council move slowly when considering this proposal, and suggested that the land would be better used for exhibits, parks, and picnic sites, rather than hotels which create traffic issues.

Gary Cadd, Redding resident, suggested that if a amendment to the ground leases agreement is approved by the City Council that it include language to eliminate the \$350,000 City subsidy provided to the Park.

Archer Pugh and John Fitzpatrick, Turtle Bay Board of Regents members, observed that museums throughout the world are not self-sufficient, and must rely on endowments and municipal contributions to survive. Mr. Pugh observed that prior to the formation of the Alliance of Redding Museums in the late 1980's and development of the Park, two small museums (the Carter House Science Museum and the Redding Museum of Art and History) were fully funded by the City and staffed by City employees. He pointed out that the City contributed considerably more money toward those facilities which were not large enough to command the attendance that the Park enjoys. He urged the City Council to support the proposal and allow the project to move forward.

Council Member Murray supported the proposal and concurred that museums are not self-supporting any more than libraries and other institutional facilities. He did express some concern at moving forward before a Master Plan for the Convention Center area had been developed, but believed the project sounds promising.

Council Member Jones expressed hope that the \$350,000 subsidy to Turtle Bay could be reduced if the project is as successful as anticipated. In response, Mr. Warren explained that Turtle Bay estimates it will receive approximately \$200,000 per year from this project, which is not sufficient to eliminate or reduce the City subsidy at this time.

**MOTION:** Made by Council Member Murray, seconded by Council Member Dickerson, authorizing Turtle Bay to apply for the General Plan amendment and rezoning necessary to move forward with the proposed hotel and restaurant project, and directing the City Attorney to work with Turtle Bay representatives to negotiate appropriate amendments to the Ground Lease Agreement. The Vote: Unanimous Ayes

**ORDINANCE** - Amending Redding Municipal Code Section 2.42.120 - Library Regulations (L-050)

City Manager Starman advised that for health and safety reasons, the Library Advisory Committee recommends that patrons be asked to wear shirts and shoes when visiting the Redding Municipal Library (Library). He also advised that although state law prohibits smoking within 20 feet of a building entrance, the recessed entry of the Library allows cigarette smoke to accumulate in that entry, and there have been complaints by patrons of having to go through cigarette smoke. The Committee is, therefore, also recommending that no smoking be increased to within 60 feet of the main entrance of the Library.

Mr. Starman recommended that the City Council offer an ordinance for first reading and waive the full reading, amending Redding Municipal Code Section 2.42.120-Library Regulations adding subsections A.9 and A.10, applying a dress standard to require a shirt and shoes be worn while inside the Library and that there be no smoking within sixty feet of the main entrance of the Library.

Charles Alexander, Redding resident, maintained that the dress code and smoking restrictions should not have been introduced under one ordinance, but separated so that each could stand on its own merits, and eliminate confusion to the public. He maintained that the new restrictions would only affect those already attempting to obey the law, not those in defiance.

Jerry Hurley, Redding resident, urged the City Council to support the ordinance.

Council Member Murray recommended that the benches and ashtrays be moved from the main entrance of the Library to a designated smoking area.

Peggy O’Lea, Chair of the Library Advisory Committee, explained that a non-smoking designation for the entire Library campus had been considered at one time, but was later abandoned in favor of a small smoking area just outside the Library entrance. She added that prior to placement of the receptacles at the entrance of the Library, there was a significant littering problem so it seemed appropriate to move receptacles to where the cigarette butts were being discarded on the ground. She added that heavy cigarette smoke immediately outside the entrance to the Library is the number one complaint.

Vi Klaseen, Redding resident, stated that elderly residents use the benches to rest before entering the Library and asked that the benches not be moved.

**MOTION:** Made by Council Member Dickerson, seconded by Council Member Bosetti approving the amendment to Redding Municipal Code Section 2.42.120-Library Regulations adding subsections 9 and 10, applying a dress standard to require a shirt and shoes while inside the Library and no smoking within sixty feet of the main entrance of the Library, respectively. The Vote: Unanimous Ayes

Council Member Dickerson offered Ordinance No. 2407 for first reading, an ordinance of the City Council of the City of Redding amending Redding Municipal Code Section 2.42.120-Library Regulations adding subsections A.9 and A.10, applying a dress standard requiring that a shirt and shoes be worn while inside the Library, and prohibiting smoking within sixty feet of the main entrance of the Library.

**MOTION:** Made by Council Member Dickerson, seconded by Council Member Bosetti, that the full reading of Ordinance No. 2407 be waived, and that the City Attorney be instructed to read the full title. The Vote: Unanimous Ayes

ADJOURNMENT

There being no further business, at the hour of 8:38 p.m., Mayor Stegall declared the meeting adjourned.

APPROVED:
