

Request for FEE ESTIMATE

City of Redding
777 Cypress Avenue
Redding CA 96001
Telephone:
(530) 225-4013
FAX: (530) 225-4360

We at the Permit Center wants you to be fully informed of any fees associated with your project. Most fees are determined by the nature and scope of your plans. Please fill out the following information sheets so that we understand the detail of your proposed building. We will use the information that you provide to determine the estimated fees.

In an attempt to do a thorough and complete job of estimating your fees, we do not compute estimates while you wait at the counter. We will return written estimates by mail, email, or fax as you prefer. Your estimate will be returned to you as soon as possible, but our goal is to return it to you no later than three business days from the date of your request.

You may return the completed forms to the Permit Center:

- In person or by mail to: 777 Cypress Avenue, Redding CA 96001
- By FAX: (530) 225-4360
- By Email: Complete the form online, then SAVE. Attach the document to an email and send to the Permit Center @ <mailto:pmtctr@ci.redding.ca.us>.

It is important to note that changes in floor area, use, and location can change the fees. If these elements of your plans change, contact the Permit Center at 225-4030 for a revision of your estimate.

FEE ESTIMATE
