NOTICE OF PUBLIC HEARING

On Wednesday, January 31, 2007, at 2 p.m., in the Caldwell Park Conference Room located at City Hall, 777 Cypress Avenue, Redding, California, the Board of Administrative Review will conduct a public hearing to consider amendment to Use Permit UP-26-93, a request by the City of Redding Electric Utility, to construct a second 45-megawatt, gas-fired turbine generator at its existing power plant. The property is located at 17120 Clear Creek Road and is zoned "PF" Public Facilities District. Consideration by the Board of Administrative Review will also include a decision on the environmental Negative Declaration prepared for the project. The map below depicts the location of the project.

A site plan, project description, and other information are available for review at the Development Services Department Permit Center, 777 Cypress Avenue, Redding, California. Information available includes documents addressing potential environmental impacts. If you have any questions, please contact Kent Manuel in the Development Services Department (telephone 530.225.4020).
