NOTICE OF PUBLIC HEARING

On Tuesday, March 27, 2007, at 4 p.m., in the City Council Chambers located at 777 Cypress Avenue, Redding, California, the Redding Planning Commission will conduct a public hearing to consider Use Permit Application UP-8-06, by Omnipoint Communications/T-Mobile, requesting approval to install a wireless-communication facility, including a 95-foot-tall monopole antenna disguised to appear like a pine tree, and a small ground-mounted equipment shelter on property located at 2277 College View Drive in a "PF" Public Facilities District. The project has been determined to be categorically exempt under the California Environmental Quality Act. The map below depicts the location of the project.

A site plan, project description, and other information are available for review at the Development Services Department Permit Center, 777 Cypress Avenue, Redding, California. Information available includes documents addressing potential environmental impacts. If you have any questions, please contact Brandon Rogers in the Development Services Department (telephone 530.225.4020).
