

## PUBLIC NOTICE

The City of Redding Development Services Department, in accordance with National Flood Insurance Program Regulation 65.7(b)(1), hereby gives notice of the Sacramento Watershed Action Group's intent to revise the Middle Reach of Sulphur Creek floodway, from about 450 feet upstream of Sulphur Creek Road to the Union Pacific Railroad Culvert, which is located 2,240 feet upstream of Sulphur Creek Road. The revision reflects the recent habitat enhancement and erosion control along the Middle Reach of Sulphur Creek. As a result of the floodway revision, the floodway shall widen—with a maximum widening of 151.03 feet at a point approximately 500 feet upstream of Sulphur Creek Road, and shall narrow—with a maximum narrowing of 91 feet at a point approximately 1,120 feet upstream of Sulphur Creek Road.

Maps and detailed analysis of the floodway revision can be reviewed in the Development Services Department Permit Center, 777 Cypress Avenue, Redding, California. Interested persons may call Associate Planner Lily Toy at 530-225-4020 or e-mail her at [ltoy@ci.redding.ca.us](mailto:ltoy@ci.redding.ca.us) for additional information.
