

8. NEIGHBORHOOD-WIDE ALLEY CLEAN UP:

Objective: To keep alleys in a clean and safe condition and to assist in neighborhood-wide clean up efforts.

Description: The project would consist of periodic trimming of vegetation and trash clean up in alleys, particularly those without through access. The project would demonstrate a proactive and positive attitude toward neighborhood clean up and reduce the potential for such areas to attract vandalism and debris. To the extent practical, clean up will be incorporated into existing programs of the City's Electric Utility, Parks Maintenance, and Street Maintenance.

Funding: CDBG

Action: Authorize staff to initiate a neighborhood-wide alley maintenance program and appropriate \$10,000 in CDBG revolving loan funds to be utilized to support this activity.
