

RECYCLE OFFICE & SCHOOL PAPER

Now you can recycle office and school paper with this convenient program! The City of Redding Solid Waste Utility will provide office paper recycling carts for the following paper types:

YES, the following can be recycled:

- White & pastel-colored paper
- Carbonless paper (no black carbon)
- Index cards & sticky notes
- Manila envelopes and file folders
- Envelopes with or without windows
- Green-bar and computer printouts
- Yellow legal paper
- Strip-shredded paper

NO, Sorry - these are not acceptable as office paper:

- Neon or dark-colored paper
- Carbon paper
- Magazines, Catalogs, Newspaper
- Confetti-shredded paper
- Napkins, Tissues, Paper Plates & Cups

Don't Worry! No need to spend time removing paper clips, metal fasteners, rubber bands, staples, tape, pressure sensitive notes, plastic tabs, plastic windows in envelopes, or press-apply labels. Please recycle newspaper in a separate container.

Other tips: Reduce your paper costs by copying on both sides of the paper and using one-sided paper as scrap. Don't forget to purchase recycled-content paper! Laser and ink jet printer cartridges are recyclable, too.
